

“Celebrating 100 Years of Einstein’s Nobel Prize –The Photoelectric Effect”

27th Raman Memorial Conference

4th - 5th March, 2021 (Virtual Mode)

Department of Physics,
Savitribai Phule Pune University, Pune-411007

“Emerging Trends and Future Prospects of Multi- Functional Materials”

The Raman memorial conference (RMC) is organized every year in the Department of Physics, Savitribai Phule Pune University, by the students, for the students. The main objective of this conference is to encourage the young researchers from various fields of science and provide them a platform to present their research work. The present scenario of the research is interdisciplinary, hence, being a part of this conference RMC-2021 will be an encouraging platform to promote, exchange and develop novel scientific ideas for the betterment of tomorrow.

Call for Abstracts

Topics Covered

- Astronomy & Astrophysics
 - Atmospheric & Space Sciences
 - Biophysics & Bioinformatics
 - Chemical Physics
 - Computational Physics
 - Condensed Matter Physics
 - Energy Materials & Devices
 - Fluid Dynamics
 - LASER & Optics
 - Magnetic Materials
 - Nanoscience & Nanotechnology
 - Non-Linear Dynamics
 - Nuclear Physics
 - Plasma Physics
 - Photovoltaics
 - Soft Matter Physics
 - Theoretical Physics
 - Thin Films & Vacuum Techniques
- * *Presentation from other topics are also encouraged*

Registration

There will be no registration fees.
Registration link is provided on the website.
(limited auditing slots are available)

Updates / List of invited speakers will shortly be available at
