PHY/VLM/DAE/BRNS/ 09 Dated 10/05/09

Applications are invited for **a (one) post** of Junior Research Fellow.

- Title of the research scheme** : “Synthesis of Nanostructured ternary oxides and magnetic oxides using multi torch DC thermal plasma route”.
- Funding Agency** : Department of Atomic Energy, BRNS
- Duration** : Three Years
- Principle Investigator** : Dr. V. L. Mathe
Lecturer
Department of Physics, University of Pune.
e-mail : vlmathe@physics.unipune.ernet.in
- Fellowship** : 12,000/- + 15% H.R.A.
- Required qualifications** : M.Sc. in Physics, Electronics Science with minimum 55% marks. Students who have appear for M. Sc. final year examination are also eligible to apply, provided they produce their final year result at the time of interview.

The candidates should send their applications on or before 30th June 2009, along with the complete biographical sketch to the Principle Investigator (by mail as well as by post).

Principle Investigator
Dr. V. L. Mathe
