Physics/Bhide prize 2007-2008

To

1. The Head, Department of Physics / Electronics Science
in the Affiliated Colleges of University of Pune
2. Head
University Department of Physics/Space Sciences/Electronic Science
3. Registrar, University of Pune (Attention: **In-charge, Satish Bhide Prize**)
(Attention: **B.Sc./M.Sc. Exam Unit/Department Accounts**)

Subject: **LATE SHRI.SATISH BHIDE PRIZE 2007-2008**

Sir,

The University of Pune has instituted following prizes for project work carried out by B.Sc. and M.Sc. students in the Physics, Electronics Science and Space Sciences. These prizes are instituted through the donation given by Late Dr. M.R. Bhiday in memory of his son, Late Shri Satish Madhav Bhide. Some of the salient features about these prizes are given as under:

1. Two Prizes for M.Sc. students – Each of Rs. 500.00 (Physics, Electronics Science, Space Sciences)
2. Three Prizes for B.Sc. Physics/Electronic Science Each of Rs. 400/-
The selection of the student will be based on:

- a. Two best projects are to be submitted by each department to the Head, Department of Physics, University of Pune (**Attention: Shri. V. M. Pawar**)
- b. The project report along with a five-page summary (chapter-wise) and a Certificate (in the given format) are to be submitted. This will form the basis of the selection. The summary and project report are expected to follow the rules suggested (at backside of the certificate)
- c. Top few students may be called for presentation if committee feels it necessary after the university examination are over.
- d. The student should pass in project course in the year of presentation. There will be no other condition.

Results of the selections will be communicated to the student, his department and to the university office by the Head, Department of Physics, University of Pune. A certificate will also be issued to the successful students.

4. Summary of about five-pages need to be submitted to the Head, Department of Physics, University of Pune (**Attention: Mr. V. M. Pawar**) through the head of their department alongwith project certificate (see format given) covering important points and clearly emphasizing:

Blank certificate format is enclosed herewith which must be duly filled in and sent along with the summary. The suggestion in the format attached must be followed, while writing the project report. (Project chapter wise summary).

The College will recommend preferably maximum three B.Sc. and two M.Sc. students by the end of the last terms before the final examination.

It is necessary that the project certificate (and mark sheet) is signed by the Head of the Department.

5. The selection is to be done by a committee, appointed by the Head of Department of Physics, University of Pune. The student maybe required to come to the University for the seminar/interview along with his project report. It is better that a student brings with him, the essential reference books and other related papers used for the project.

I requested you to recommend names of students from B.Sc. and / or M.Sc. students of your department for there prizes.

For this academic year 2007-2008, the documents for the requisite information as indicated above should be sent to this **Department on or before 25th June 2008.**
